

ISPO Norway and ISPO Sweden is partnering to host:

## Rehabilitation in Prosthetics: Clinical and Scientific Perspectives

24.01.2025, At Oslo Metropolitan University

### Program\*:

08.10 Registration

---

09.00 Welcome

---

TBA **Keynote: Anne Breen**, MD, senior surgeon in pediatric orthopedics at Oslo University Hospital, **Reinhild Lange**, MD, senior physician in rehabilitation medicine at Sørlandet Hospital Trust. **Rune Nilsen**, CPO at Sophies Minde Ortopedi. **Kirsti Krosby**, physiotherapist at Oslo University Hospital

**“Team approaches for the assessment, treatment and follow-up of children with reductional deformities in the lower extremities compared to adults in need of lower-limb amputation”**

---

Coffee

---

TBA **Linn Reed-Schwanborg**, CPO at Sophies Minde and PhD-student at Oslo Metropolitan University

**“Translation and validation of a Norwegian version of the Prosthetic Limb Users Survey of Mobility (PLUS-M) and assessment of self-reported mobility of lower limb prosthetic users in Norway”**

---

TBA **Terje Gjøvaag**, associate professor from Dept. of Rehabilitation Science and Health Technology at Oslo Metropolitan University

**“Self-reported prosthetic mobility of Norwegian persons with bilateral lower limb amputation”**

---

TBA **Kerstin Hagberg**, senior physiotherapist and associate professor from Dept. for Orthopedics at Sahlgrenska University Hospital, Gothenburg, Sweden

**“Swedeamp; a national amputation register”**

---

TBA **Vibeche Moland Dias**, MD, senior physician in rehabilitation medicine at Sørlandet Hospital Trust and PhD-student at University of Agder

**“Major Lower Limb Amputation (MLLA) in Norway: Incidence, demographics, rehabilitation, function and Quality of Life”**

---

Lunch

---

**TBA**      **Keynote: Stina Lermon**, occupational therapist, Sweden

**«Interprofessional collaboration before primary arm amputation: Can collectively assessing surgical and prosthesis options preoperatively in traumatically injured patients enhance post-amp quality of life?»**

---

Coffee

---

**TBA**      **Jens-Christian Trojel Hviid**, physiotherapist and PhD-student at Oslo Metropolitan University

**“Intensive visual stimulation for treatment of chronic phantom limb pain: A randomized controlled trial”**

---

**TBA**      **Liselotte Hermansson**, occupational therapist and researcher at Örebro University

**“National Highly Specialized Care for Dysmelia in Sweden**

---

**TBA**      **Reinhild Lange**, MD, senior physician in rehabilitation medicine at Sørlandet Hospital Trust.

**“Establishment of the Norwegian Amputation Registry – Noramp-rehab”**

---

15.45 – 16.15      **Closing remarks**

- Collaboration in clinical practice and research
  - Evaluation of the day
- 

\*Speaking times will be displayed closer to the event.
